Introduction

We gather certain information about individuals in order to provide products and services and to enable certain functions on this website.

We also collect information to better understand how visitors use this website and to present timely, relevant information to them.

What Data We Gather

We may collect the following information:

1. Name and job title
2. Contact information including email address and contact telephone information
3. Demographic information, such as postcodes, preferences and interests in the products
4. Website usage data
5. Other information relevant to client enquiries

How We Use This Data

Collecting this data helps us understand what you are looking for from the company, enabling us to deliver improved products and services.

Specifically, we may use data:

1. For our own internal records.
2. To improve the products and services we provide.
3. To contact you in response to a specific enquiry.

4. To send you promotional emails about products, services and other things we think might be relevant to you.
5. To send you promotional mailings or call you about products, services and other things we think might be relevant to you.

Cookies and How We Use Them

What is a Cookie?

A cookie is a small file placed on your computer's hard drive. It enables our website to identify your computer as you view different pages on our website.

Cookies allow websites and applications to store your preferences in order to present content, options or functions that are specific to you. They also enable us to see information like how many people use the website and what pages they tend to visit.

How We Use Cookies.

We may use cookies to:

1. Analyse our web traffic using analytics package. Aggregated usage data helps us improve the website structure, design, content and functions.
2. Identify whether you are signed in to our website. A cookie allows us to check whether you are signed in to the site.
3. Test content on our website. For example, 50% of our users might see one piece of content, the other 50%, a different piece of content.
4. Store information about your preferences. The website can then present you with information you will find more relevant and interesting.
5. To recognise when you return to our website. We may show your relevant content, or provide functionality you used previously.

Cookies do not protect us with access to your computer or any information about you, other than that which you choose to share with us.

Controlling Cookies

You can use your web browser's cookie settings to determine how our website uses cookies.

If you do not want our website to store cookies on your computer or device, you should set your web browser to refuse cookies.

However please note that doing this may affect how our website functions. Some pages and services may become unavailable to you.

Unless you have changed your browser to refuse cookies, our website will issue cookies when you visit it.

Controlling Information about you.

We are sending out mailshots to our customers where you will see one or more tick boxes allowing you to:

1. Opt-in to receive marketing communications from us by email, telephone, text message or post.
2. Opt-in to receive marketing communications from our third-party partners by email, telephone, text message or post.

If you have agreed that we can use your information for marketing purposes, you can change your mind easily, via one of these methods:

1. Send an email to david@demon-pressur-washers.com
2. Write to us at Demon International Limited, Abbots Close, Lee Mill Industrial Estate, Ivybridge, Devon PL21 9GA.

We will never lease, distribute or sell your personal information to third parties unless we have your permission or the law requires us to.

Any personal information we hold about you is stored and processed under our data protection policy, in line with the Data Protection Act 1998.

Security

We will always hold your information securely.

To prevent unauthorised disclosure or access to your information, we have implemented strong physical and electronic security safeguards.

We also follow stringent procedures to ensure we work with all personal data in line with the Data Protection Act 1998.

Links from our site

Our website may contain links to other websites.

Please note that we have no control of websites outside the Demon domain.

If you provide information to a website to which we link, we are not responsible for its protection and privacy.

Always be wary when submitting data to websites. Read the site's data protection and privacy policies fully.
